## CHAPTER \_\_\_\_\_

An act to add Section 60422.1 to the Education Code, relating to instructional materials.

## LEGISLATIVE COUNSEL'S DIGEST

SB 247, Alquist. Instructional materials.

Existing law, the Instructional Materials Funding Realignment Program, provides for funds to be apportioned to school districts based upon enrollment to ensure that each pupil is provided with a standards-aligned textbook or basic instructional materials, as adopted by the State Board of Education subsequent to the adoption of content standards, or as adopted by the local governing board, for grades 9 to 12, inclusive.

This bill would provide that a local governing board may use funding received pursuant to these provisions to purchase state-adopted instructional materials for kindergarten and grades 1 to 8, inclusive, and state standards-aligned materials for grades 9 to 12, inclusive, in an electronic or hardbound format if it can ensure that each pupil will be provided with a copy of the instructional materials to use at school and at home. However, providing access to the materials at school and at home would not require the local educational agency to purchase 2 sets of materials.

*The people of the State of California do enact as follows:*

SECTION 1. Section 60422.1 is added to the Education Code, to read:

60422.1. Notwithstanding any other provision of law, a local governing board may use funding received pursuant to this chapter to purchase state-adopted instructional materials for kindergarten and grades 1 to 8, inclusive, and state standards-aligned materials for grades 9 to 12, inclusive, in an electronic or hardbound format if it can ensure that each pupil will be provided with a copy of the instructional materials to use at school and at home. However, providing access to the materials at school and at home does not require the local educational agency to purchase two sets of materials.
